Mr. Howland Wood, Acting Secretary
for the American Numismatic Society.
Broadway bet. 155th and 156th sts.
New York.

Dear Sir:

We have your card advising of a regular meeting of the American Numismatic Society to be held on November 11th, 1922, and in reply beg to advise that our Mr. Boyer is at the present time in Europe.

We also wish to say that we have quite an accumulation of correspondence here with regard to the American Numismatic Society and would like to have you advise if we shall send this correspondence to you. We have asked Mr. Boyer several times to advise who is now the Secretary for the American Numismatic Society, and your card, above referred to, is the first correspondence we have had as to whom we might turn this correspondence over to for attention.

Kindly advise what we should do and we will give same our early attention.

Yours very truly,

The Boyer Chemical Laboratory.

CJS:TH.

Secretary.

L. J. Schneider

we understand Mr Boyer is in Europe
and as he is entitled to certain publications
we will issue while he is gone we suppose
we should send them to the above address
to await his return

We think you have confused the
"Society" with the "Association" of which
he was the former Secretary. The new
Secretary is J. M. Swanson 22 Camp
St. Newark N. J. and would say
with-out question to send any
thing pertaining to the Association
to Mr Swanson

November 11th, 1922

The Boyer Chemical Laboratory Co.

Chicago, Ill.

Attention - Miss C. J. Schneider

Gentlemen:

In reply to your letter of November 9th, we understand that Mr. Boyer is in Europe, and we will send any further Society publications to him addressed to the Boyer Chemical Laboratory Co. instead of to his home address, until further notice. Mr. Boyer is a member of our Society and is entitled to all the publications we issue.

I think you have confused the American Numismatic Society with the American Numismatic Association, of which he was the former Secretary. The new Secretary of the latter is Mr. J. M. Swanson, 22 Camp Street, Newark, N.J., and I would say without question to send anything pertaining to the Association to Mr. Swanson.

Very truly yours,

Curator

Gentlemen:

Replying to your letter of December the 5th addressed
to our Mr. Böyer with reference to the Italian Numismatic Society, beg
to advise that our Mr. Boyer is in Europe and will probably not return
until around about March or April.

Yours very truly,

Dear Mr. Boyer:

The last publication "Italian Orders of Chivalry and Medals of Honour" by Harrold E. Gillingham which was forwarded to you at the above address has been returned to us. Will you kindly inform us of your change of address in order that we may send you this monograph, No.20, to which you are entitled.

Very truly yours,

Secretary

Attention Sydney P. Nos, Sec!

Dear Sir:

We have your letter of January the 25th addressed to Mr. Boyer. With regard to the last publication "Italian Orders of Chivalry and Medals of Honour", we presume that this was addressed to Mr. Boyer at 201 E. Chestnut Street and this may explain why same was returned to you. However, I do not see why the Post Office people should do this, if they did do so, from the mere fact that they have Mr. Boyer's change of address from the house to the office here. You will note we received your letter of the 25th and for that reason do not see why anything else you sent to Mr. Boyer's house address did not reach us here at the office.

My suggestion would be, Mr. Noe, to leave the matter pend until Mr. Boyer returns from Europe, which will probably be about the 1st of April. This file will be referred to Mr. Boyer then and he can take the matter up with you personally.

My suggestion is that it would be much better to leave the matter rest until Mr. Boyer's return.

Yours very truly,

The Boyer Chemical Laboratory Co.

Dear Mr. Boyer:

Some many months ago, we were informed that
you were away and upon your return would be advised
so that we might continue to send you our publica-
tions. We have, however, received no word, and
would be glad to know if we may now send the mono-
